To parents and guardians,

At Valley Center Public Schools USD262, we use G Suite for Education, and we are seeking your permission to provide and manage a G Suite for Education account for your child. G Suite for Education is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers around the world. At Valley Center Public Schools USD262, students will use their G Suite accounts to complete assignments, communicate with their teachers, sign into their Chromebooks and learn 21st century digital citizenship skills by being able to have a secured, monitored, online USD262 Google Student Account for use within the classrooms.

The notice below provides links for answers to common questions:

By signing and submitting your student's registration for the 2022-2023 school year, you will give permission for Valley Center Public Schools USD262 to create and maintain a G Suite for Education account for your child and for Google to collect, use, and disclose information about your child only for the purposes described in the links below.

Here is a list of resources directly from Google that can be accessed to find out more information.

 - Our G Suite for Education Privacy Notice describes how Google products and services collect and use information when used with G Suite for Education accounts.
 - Information about the legal commitments Google makes for G Suite for Education Core and Additional Services is available in our Help Center.
 - Information about how Google's products work to protect privacy is available in our Product Privacy Guide
 and at privacy.google.com. Note that Google does not use any user personal information (or any information associated with an G Suite for Education Account) to target ads for G Suite for Education

users in primary and secondary (K–12) schools, and any statements about ads on those pages are overridden by this restriction from our Privacy Notice.
 - Information about Google's compliance with international legal obligations on data protection can be seen in the Data Processing Amendment to G Suite and/or Complementary Product Agreement, which describes extensive measures for data security that Google and its customers have agreed.
 - Answers to many top questions about privacy and security appear on our Google for Education Privacy and Security Center.
 - Parents can visit myaccount.google.com while signed in to their child's G Suite for Education account to view and manage the personal information and settings of the account.

G Suite for Education Notice to Parents and Guardians

The links above describes the personal information we provide to Google for these accounts and how Google collects, uses, and discloses personal information from students in connection with these accounts.
Using their G Suite for Education accounts, students may access and use the following "Core Services" offered by Google (described at https://gsuite.google.com/terms/user_features.html):

Gmail
Currents
Calendar
Chrome Sync
Classroom
Cloud Search
Contacts
Docs, Sheets, Slides, Forms
Drive
Groups
Hangouts, Hangouts Chat, Hangouts Meet, Google Talk
Jamboard
Keep
Sites
Vault

In addition, we also allow students to access certain other Google services with their G Suite for Education accounts. Specifically, your child may have access to the following "Additional Services" that are listed above in the right column.

Google provides information about the information it collects, as well as how it uses and discloses the information it collects from G Suite for Education accounts in its G Suite for Education Privacy Notice. You can read that notice online at https://gsuite.google.com/terms/education_privacy.html
